"The fruit of the righteous is a tree of life,  
and he who wins souls is wise"  
Proverbs 11:30

## Dear Friends & Family,

With God's blessing and through your partnership and investment, the Indo-pacific ministries continue to move forward, reaching young people with the Gospel and training future leaders to reach this generation. We pray you will be encouraged as we share a glimpse of God's hand at work. Thank you for being a huge part of what God is doing!

“  
Sharing the  
gospel is a  
compassionate,  
bold, and  
freedom call.

“It was my first time sharing my testimony at a church in front of many people. It was a very humbling moment. *I felt that the Lord had strengthened me during that time to share with people what God has done in my life!*” --- Salmoon Jameel  
Pakistan

“  
time is short,  
and as a  
believer, we  
need to  
continue to  
share the  
gospel in every  
opportunity

“I thank God for giving me the strength, knowledge, courage and boldness to share the gospel with people. *The more I do this, the more boldness I have to proclaim the gospel, and it makes me want to do more!*”  
--- Akuilla Naga  
Fiji

“  
What we do  
today  
resonates  
with our  
eternity.

“I've encountered countless doubts, but God has never forsaken me. He showed me that ministry is not about perfection but about availability and obedience. *Each small act of service, reflects God's love. I pray to keep my heart open to God's call and serve others with humility and grace!*”  
--- Jarahleen Huyo  
Philippines

The pictures above are just a few of the many stories we can share about God doing amazing things by raising future leaders to reach their generation for Christ! *It is exciting to share with you that in Bangladesh, our small team continues to thrive in training leaders and young people to bring forth the gospel in their own country!*

Youth Ministry Training in Bangladesh

### Please pray with us for...

- Launching of Youth Leadership Training in Pakistan.
- Evangelistic Leaders Training in Papua New Guinea.
- Word of Life Bible Institute Missions Conference in Philippines on March 7-9
- Provision and protection of missionaries around the Indo-Pacific region.

You prayed for Leamel last year when he was studying at the Bible Institute. Today, he is one of our missionaries in Bangladesh reaching and training leaders to further the gospel. *He is an answer to many prayers. To God be the glory!*

“If we had to preach to thousands year after year, and never rescued but one soul, that one soul would be a full reward for all our labor, for one soul is of countless price.” - C.H. Spurgeon
